# What is Coronavirus?

Coronavirus, or COVID-19, is an illness that can cause fever, coughing, and not feeling well if you catch it.

Kids and young people usually don't get too sick if they catch Coronavirus.

To help us stay healthy,  
we will not have school  
for a while.

My parents can show me  
on a calendar when we  
are supposed to go back.

We may have to avoid  
places and things we  
usually do during this  
time.

But this is all to help us  
stay healthy. We will find  
fun things to do, instead!

I have the power to  
stop the spread of  
Coronavirus!!

I CAN

Wash my hands  
for 20 seconds or  
use hand sanitizer

Cover my cough  
or sneeze

Stay home if  
I'm sick

home

It's important to remember  
to not be scared.

I know I can ask my parents  
questions about Corona and  
I know how to keep Corona  
away!

We are CORONA  
FIGHTERS!

This is not medical advice!

Always consult your physician  
with medical concerns.

Here are a few additional  
online resources:

# PLAY with PLAY-DOH

 I	 want	 open	 green	 red
 you	 help		 yellow	 blue
 it	 squish	 cut	 roll	 push
	 put	 pat	 take	 give
 make	 ice cream	 bug	 heart	 fish
 snake	 cookies	 ball	 pizza	 car
 what are you making?	 don't want	 like it	 don't like	 all done

roll

pat

make a ball

I did it!

Do that again.

squish

squeeze

more

I need help

finished

3 cups flour 	1 1/2 cups salt 	1/4 cup oil 	<h1>Easy No-Cook Playdough</h1> 		measuring cup 	bowl 
1 cup water 	1 teaspoon food color 	airtight container 			wooden spoon 	

1 Pour flour, salt, oil, water, and food color in bowl.

2 Stir with wooden spoon.

3 Mash dough with your hands.

4 If dough is too sticky, put in some more flour.

Have fun playing with your dough!

Keep it in an airtight container when not playing with it.
