

# FREE DOWN SYNDROME EDUCATIONAL ALLIANCE WORKSHOP

## \*MATH USING NUMICON FOR PARENTS AND EDUCATORS

WEDNESDAY APRIL 24<sup>th</sup>

2 Time Slots: 430pm–6pm OR 7pm – 830pm

DSCBA - 101 J TOWN AND COUNTRY DRIVE, DANVILLE

RSVP By April 12<sup>th</sup> to email: [dscba@dsconnection.org](mailto:dscba@dsconnection.org) or call Nancy Ferguson at 925–362–8660  
Make sure you tell us how many are attending and at what time slot. If you are an educator please tell us your title and school district when RSVPing.

Research shows that using Numicon at home or in school can have a positive impact for young children with Down syndrome

Benefits for children with Down syndrome:

- ✓ Clear visual representation for numbers
- ✓ Overall emphasis on multi-sensory teaching
- ✓ Children can manipulate the materials themselves
- ✓ Supports the development of early number concepts such as the ability to calculate
- ✓ Teacher can see what the child is thinking
- ✓ Can be used for time and money
- ✓ Children are motivated to use the system as it is attractive
- ✓ Clear structure for teachers looking for a way to differentiate the numeracy curriculum

\*Certificate of completion is available upon request
